## Commercial DSL Registration Form

Phone 712-881-4000

Please read carefully to ensure proper system requirements are met, usernames and password are legible and desired service has been selected. Signing will complete the registration phase.

**System Requirements:** Windows 98/NT/2000/ME/XP/MacOS 6.07 or greater, 64 Mb or Ram, network card\*

### Recognized Computer Professionals that install network cards and configure your system for MegaSpeed:

Advanced Networking  
Thad Hollingshead  
(712) 276- 0482

Computer SOS  
Kem Jurack  
(712) 255-1069

Iowa Computer Sales  
Brian Kepner  
(712) 353-6476

All connections will be done via Static IP. This will allow you to host a web site and/or connect to an existing LAN to give all users access. If you need more than one IP address, a firewall or proxy server will be required in your business. This can also be used to POP mail in your place of business, giving you full access over account creation and maintenance.

Please check (X) desired service:
