The Mapleton/Castana Youth League Association will provide each player with a reversible jersey. They will return the reversible jersey at the end of their season. They will also play in a league in November and December, which is a league on Sundays. If they don't have enough for a team they may end up joining with a neighboring town to form a team. (Charter Oak and Anthon)

The coach of the team may decide to play in additional tournaments, which would have additional cost. The MCYLA does not regulate if a team plays in tournaments outside of the league. If the coach volunteering decides to take certain players to a tournament outside of league play at additional cost that is their decision.
